

Uniform Information

Uniforms for the spring season are in the works! Each player will receive a uniform which consists of a jersey, cap, belt, socks, and pants. There are some simple things that you can assist us with to get your uniforms ready on time.

- 1) **Jerseys** – Your jerseys cannot be printed until your sponsor information is turned in. As soon as you know the name of your sponsor, please e-mail this information to esutton1@windstream.net so that we can begin printing your jerseys. You MUST have the correct spelling, etc. of EXACTLY how the sponsor wants their name to appear on the backs of the jerseys. Checks for sponsorship are to be made payable to WSLLL and turned in to the league. The quicker you get your sponsor turned in, the quicker you will get your uniforms!
- 2) **Hats** – If your team would like to have their names embroidered on the back of the caps, you will need to turn in the information to Worthy Promotions. These hats are already in and ready to sew, so the quicker you turn in the form, the quicker that you can get your caps. These orders should be made together as a team, not individually & all payment for this is made to Worthy Promotions. Cost is \$6.50 ea.
- 3) **Fan Shirts/Caps** – Shirts & Caps to match your team are available for purchase from Worthy Promotions. These are great for coaches, parents, siblings, etc. Please give a copy of the attached form to each of your parents. They can turn their orders in directly to Worthy Promotions by fax or email. We will make every effort to deliver these additional items with your team uniforms.

You will receive an e-mail toward the end of the month, letting you know when/where uniform pickup will be. In the meantime, if you have any questions regarding uniforms please contact one of the following:
